Music on the Beerline kicks off tomorrow

Tomorrow – **Friday, July 15** the 4th Annual Music on the Beerline series officially kicks off. The **outdoor music series** hosted by Riverworks Development Corp. is free and open to the public, and will be the first of three events held this summer. Music on the Beerline takes place from 5 - 8 p.m. at the Beerline Plaza performance stage located at 3350 N. Holton St. The event will include food trucks, local vendors and family-friendly activities.

Music on the Beerline features an all-star lineup of diverse local musicians that provide a variety of music genres for all audiences to enjoy. The first performance of the summer is set to feature **Twan Mack**, an adult contemporary hip hop artist, and **DJ Bizzon**, a rising star on the national DJ scene.

Alderwoman Milele A. Coggs is inviting residents to take advantage of this engaging opportunity. “Music on the Beerline is a great avenue to take in new local music, connect with friends and neighbors, and enjoy a great summer evening while also experiencing one of Milwaukee’s premiere outdoor environments,” Alderwoman Coggs said. “I encourage residents citywide to join in for what promises to be a fun evening.”
